Column Options !!!!

Our Vinyl post columns are made from 100% virgin vinyl and come with a manufacturer's limited lifetime warranty. Each column is offered in 8" and 10" tapered for your desired look. The best thing is that they never need painting and simple soap and water cleans them right up. All our Column prices include all the necessary hardware you will need to install. Just choose a concrete mount application or Ground mount application.

Note: We Strongly Recommend sleeving the beams with pressure treated 2x8s for added stability
 Note: If your side beam span goes over 14' we strongly recommend adding a 3rd support post to the beam
